

Recomendaciones CInIG IRyA mes de junio 2021

La CInIG desea compartirles algunas ligas con algunas notas y un artículo sobre la experiencia LGBT+ en la academia, las ligas a las "outlist" de personas LGBT+ y aliadas en astronomía y física, y la página de recursos del Committee for Sexual-Orientation & Gender Minorities in Astronomy (SGMA) de la AAS. Las ligas están al final de este correo.

'This deserves our attention.' New data highlight LGBTQ scientists' workplace challenges
